NOTE: THIS IS A NEW INTERNET TRAINING CONTRACT

This is a multiple award contract. Users must review all the following contracts for optimal pricing and service: MA-526 (Alpha Computer Solutions) and MA-528 (PC Training West) and document purchasing selection.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

REPORTS: The contractor will submit quarterly reports to the state purchasing agent showing quantities and dollar volume of purchases by each state agency and political subdivision. These reports will be due 10 days after the calendar quarter

**Cancellation/Reschedule Policy:**

ExecuTrain's Responsibility: should the need to cancel or reschedule a course arise, ExecuTrain will notify the student and/or student's supervisor within three (3) working days.

Student's Responsibility: should the student need to cancel or reschedule a course, they must contact ExecuTrain three (3) business days prior to the scheduled class. Late cancellation fee of \$75.00 per person, per class day will be charged if canceled less than three (3) business days. Students who do not cancel their class registration and simply "no-show" are charged the full price of the class.
